Dear Dance Faculty Search Committee,

My name is Heather Wilson, and I have submitted an application to join your faculty.

I trust you will find my application worthy of consideration, despite my lack of formal education, as it is not the sole predictor of excellence.

In lieu of a degree, my more than 30 years of relevant professional experience demonstrates that I have the required knowledge, skills, and applicable achievement in the field. My pertinent and related work experience clearly testifies that I am perfectly capable of meeting the essential functions of the position and can perform at the level in which I am applying.

Should you consider equivalency, my core competencies, and 30+ years of experience at the required level of sophistication, standards, and benchmark, will surely satisfy degree requirements.

Again, I welcome the opportunity to make a contribution to your students and bring my skills to your program. I am optimistic in my ability to become an asset and valuable addition to your faculty, and am motivated to uphold your standards.

It is with significant interest that I enclose my resume for your review.

If you have time to speak, you can reach me at 908-334-4221 or shoot me an email at info@ballerinabikerphotography.com.

Thank you for your time and consideration. I look forward to hearing from you.

Best regards,
Heather Jean Wilson
